## Anchor Industries Leads The Industry In Nissan Application Coverage

As a first to market supplier, Anchor Industries remains vigilant in our commitment to be the industry market coverage leader for all vehicles including Domestic, Asian and European applications. Nissan is currently the 6th largest supplier of cars & light trucks in the U.S. and has over 8.2% market share. Over 908,570 million vehicles were sold in the U.S. for 2010, representing a 18.0% increase from the previous year (based on Ward's Auto data).

Anchor has added **17 new numbers** that are now available for Nissan cars & light trucks which account for **over 6,312,000 total applications** (based on Polk data).
