Anchor Industries Adds New Nissan Application Coverage

As a first to market supplier, Anchor Industries remains vigilant in our commitment to be the industry market coverage leader for all vehicles including Domestic, Asian and European applications. Nissan is currently the 6th largest supplier of cars and light trucks in the U.S. and their market share has grown to over 7.7%, while selling over 4,717,546 vehicles in the past five years alone. (based on Ward's Auto data).

Anchor has added **13 new numbers** that are now available for Nissan cars and light trucks which account for **over 4,710,060 total applications** (based on Polk data).
